ROYAL NAVAL RESERVE AND OTHER VESSELS AUTHORISED TO FLY THE BLUE ENSIGN IN MERCHANT VESSELS (FOREIGN OR HOME TRADE ARTICLES) AND FISHING VESSELS

1. A list of Royal Naval Reserve and other vessels authorised to fly the Blue Ensign will no longer be published in the Navy Directory.
2. Its inclusion was intended for the information of Captains of Her Majesty's Ships with reference to provisions of Article 9153 of the Queen's Regulations for the Royal Navy BRd 2 under which they are authorised to ascertain whether British Merchant Ships (including Fishing Vessels) flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so.
3. However, the usefulness of this list serves only a limited purpose as the list of vessels that could fly the Blue Ensign can change frequently. British merchant ships and fishing vessels are allowed to wear the plain Blue Ensign under the authority of a special Warrant, subject to certain conditions being fulfilled, and which are outlined below.
4. Vessels registered on the British Registry of Shipping or the Registry of a relevant British possession may wear a plain Blue Ensign providing the master or skipper is in possession of a warrant issued by the Commander Maritime Reserves under the authority of the Secretary of State for Defence, and the additional conditions outlined below are fulfilled. The Blue Ensign is to be struck if the officer to whom the warrant was issued relinquishes command, or if the ship or vessel passes into foreign ownership and ceases to be a British ship as defined in Part 1 of the Merchant Shipping Act 1995 (MSA 1995).
 - a. Vessels on Parts I, II and IV of the Register. The master must be an officer of the rank of lieutenant RN/RNR or Captain RM/RMR or above in the Royal Fleet Reserve or the maritime forces of a United Kingdom Overseas Territory or Commonwealth country of which Her Majesty is Head of State, or an officer on the Active or Retired Lists of any branch of the maritime reserve forces of these countries or territories.
 - b. Vessels on Part II of the Register. This part of the Register is reserved for fishing vessels. The skipper must comply with the same criteria as for sub-clause 4.a. above, however the crew must contain at least four members, each of whom fulfils at least one of the following criteria:

Royal Naval or Royal Marine reservists or pensioner Reservists or pensioners from a Commonwealth monarchy or United Kingdom Overseas Territory, Ex-ratings or Royal Marines who have completed twenty years service in the Reserves, members of the Royal Fleet Reserve.
5. Action on sighting a merchant ship wearing a Blue Ensign: The Commanding Officer of one of HM ships on meeting a vessel wearing the Blue Ensign may, in exercise of powers conferred by sections 5, 7 and 257 MSA 1995, send on board a commissioned officer to confirm that the criteria outlined above are being met in full. If it is found that the ship is wearing a Blue Ensign, without authority of a proper warrant, the ensign is to be seized, taken away and forfeited to the Sovereign and the circumstances reported to the Commander Maritime Reserves, acting on behalf of the Chief of Naval Personnel and Training/Second Sea Lord, who maintains the list of persons authorised to hold such warrants.
6. However, if it is found that, despite the warrant being sighted, the ship is failing to comply with the criteria in some other particular, the ensign is not to be seized but the circumstances are to be reported to the Commander Maritime Reserves.

ATTACHES AND ADVISERS

The Defence Engagement Strategy Overseas Directory, commonly known as The Yellow Book, lists the UK MOD Attaché corps based at Defence Sections in British Embassies and High Commissions, together with Loan Service Personnel and Special Advisors Overseas. The Directory is maintained by the Defence Engagement Strategy Overseas Support Division. It is an extensive and comprehensive publication that is updated throughout the year on the Web and bi-annually in a limited run of hard copy (DESTRAT Overseas Directory (The DESTRAT Yellow Book)).

For access to Attaches and Advisers you should refer to these sources for accuracy. A full and comprehensive listing of Attaches and Advisers can be accessed through the MoD intranet, the URL is:

<http://defenceintranet.diif.r.mil.uk/Organisations/Orgs/HOCS/Organisations/Orgs/DSPO/DISP/Pages/YellowBook.aspx>

Hardcopy: Authorised users without ready access to the DefenceNet can obtain copies of the concise Directory on application to the Editor:

AMENDMENTS TO NAVY DIRECTORY ENTRY

This edition of the Navy Directory has been produced largely from the information held within the Ministry of Defence's "Joint Personnel and Administration" system". The efficiencies and data handling of JPA affect the way in which individual entries are extracted and recorded in the Navy Directory.

Serving Officers who note errors or omissions in the Active or Seniority Lists should ensure that their data held within JPA is accurate and up to date. If you are unable to make these corrections within your JPA account you should seek assistance from either your JPA administrator or Career Manager.

Please note that all personnel data for the Navy Directory is derived through Career Managers/ Data Owners and/or extracted direct from JPA; it is neither compiled nor maintained by the Editor. If you notice errors or omissions you should contact your Human Resources Manager.

All other errors or omissions should be brought to the attention of the Editor of the Navy Directory.

Readers who wish to comment on this edition of the Navy Directory are invited to write to:
