

# IMPORTANT POSSESSIONS

Name of Crew Member:

## Your Challenge:

You have been selected to take part in the Cross Atlantic Rowing Challenge as part of the HMS Oardacious Team. Space is limited on board the boat, so you must carefully choose the items that you are going to take with you. Remember you are going to be away for up to 2 months (including over Christmas), so you may want to bring things that remind you of home. You can choose 3 personal items, a music track and a luxury item to help you maintain your morale for the journey.

What I will miss most:

Item	Reason for Choosing (Does it remind you of someone special? How does it make you feel? Will it cheer you up?)
