

RNAS YEOVILTON INTERNATIONAL AIR DAY SATURDAY 7 JULY 2018

MOBILITY AIDS VIEWING ENCLOSURE (MAVE)

The RNAS Yeovilton Air Day aims to be as accessible as possible to ensure everyone can enjoy the event equally. The site is planned out so that the majority of ground attractions are reachable via hardstanding routes. There are plenty of grass areas where you can set-up a picnic and enjoy the flying display and disabled toilets are available in each toilet area.

We also understand that some Air Day visitors, who require mobility assistance (wheelchair, scooter, crutches, etc), may be attending on their own or with an accompanying carer. To make your visit more comfortable the MAVE is a free of charge outside enclosure (no shelter) on hard-standing along the crowdline. Other facilities include:

- Private toilets
- Tables and chairs
- Naval Personnel and Cadets who on hand to assist, if required
- Enclosure wristband to enter and leave the Enclosure as you please during the day

Spaces are very limited and subject to availability. Pre-booking is essential to avoid disappointment by completing the enclosed form. Access is restricted to the visitor and ONE carer only.

We also strongly urge you to read our Access Statement on our website www.royalnavy.mod.uk/yeovilton-airday to ensure you can make an informed decision on the suitability of the event for your needs.

How to Book – please read carefully before completing the form on the next page.
