

**Duration**

1 hour

Max Capacity

32 personnel

IDT MTT - SHORE MARITIME HQ C2

AIM OF SUBJECT

To provide insight on command structure based on UK doctrine and the levels of command and control in order that staff understand how C2 functions, planning factors and improve communication. This is a theory only subject.

OUTLINE SYLLABUS

International Maritime Students (IMS) will gain an understanding of:

- ◆ Levels of Command
- ◆ Definition of Command and Control (C2)
- ◆ Understanding of delegation of authority
- ◆ Differing states of Command and Control and their impact on the conduct of operations

IMS will be provided with an appreciation of the UK approach to Joint operations and the subsequent breakdown on the organisation of maritime forces and methods of tasking

EXAMINATIONS/QUALIFICATIONS GAINED

On completion the IMS will be able to:

- ◆ Describe the levels of command and define C2 Command and Control
- ◆ Know who is in charge
- ◆ Understand the level of delegated authority
- ◆ Understand to whom and when to report, and who to ask for assets/resources.
