IDT MTT - RULES OF ENGAGEMENT (ROE)

AIM OF SUBJECT

ROE are issued by all nations for a specific military task and are given enable the individual protection and safety in a hostile environment

OUTLINE SYLLABUS

The subject will discuss the principle of ROE, their use and how ROE has been used by other nations as well as identify the legal requirement for ROE, your responsibility and the training and support you should receive whilst implementing ROE. There will be an opportunity to explore ROE through the conduct of a table top tactic discussion on a subject/operation appropriate to the host nation that will assist individuals to make a better, clearer judgement and take the correct action.
