

The Harbour School

The Harbour School provides education for Portsmouth pupils who are unable to attend mainstream school for either Social, Emotional and Mental Health (SEMH) needs or medical reasons.

The Harbour School converted to Academy Status on January 1st 2021 as part of the Delta Education Multi Academy Trust.

We are looking for individuals to join our new Governing Body.

If you have an interest in education, enthusiasm and a bit of spare time, are willing to learn and to be part of team committed to improving outcomes for children, contact Matthew McLoughlin-Parker, Headteacher, for an informal discussion. We look forward to hearing from you.
