#### 4. Air Display Areas. The areas as shown on the chart extract at Annex A:

a. Air Display Area (1350 – 1430) - An area in front of The Hoe and the Cattewater bounded in the Sound by Millbay Pier Lt, Drake's Island eastern shore and Dunstone Point and in the Cattewater, by Fisher's Nose, Queen Anne's Battery Breakwater and to the east by a line between the eastern end of Cattedown Wharves and the eastern end of Turnchapel Point pontoons.

Parachute Drop Area (1425 – 1445) - An area in the entrance to the Cattewater bounded by the western end of Mountbatten Breakwater, RPCYC Flag Staff, Fisher's Nose, Queen Anne's Battery Breakwater, Victoria Wharves Jetty Lt and Mount Batten Centre pontoon.

b. No vessel can remain within these restricted areas in Plymouth Sound and Cobbler Channel either underway or at anchor during the closed periods listed above.

#### 5. Spectator areas

a. Spectators afloat may view the displays clear of the activated area.

b. Official steward craft will patrol the area boundaries and invite spectators or other craft to remain clear of the Air

Display Area. Steward craft will display a blue flag.

c. Policing craft will be in attendance to direct vessels to keep clear if necessary. Mariners are reminded that failure to comply with official direction by the Officers of the Queen's Harbour Master, which includes MOD Police Officers, Cattewater Harbour Master, and Sutton Harbour Lock keepers, may result in prosecution.

## 6. Vessel Traffic Control

a. All mariners are to note and observe the restrictions on movement in the paragraphs below.

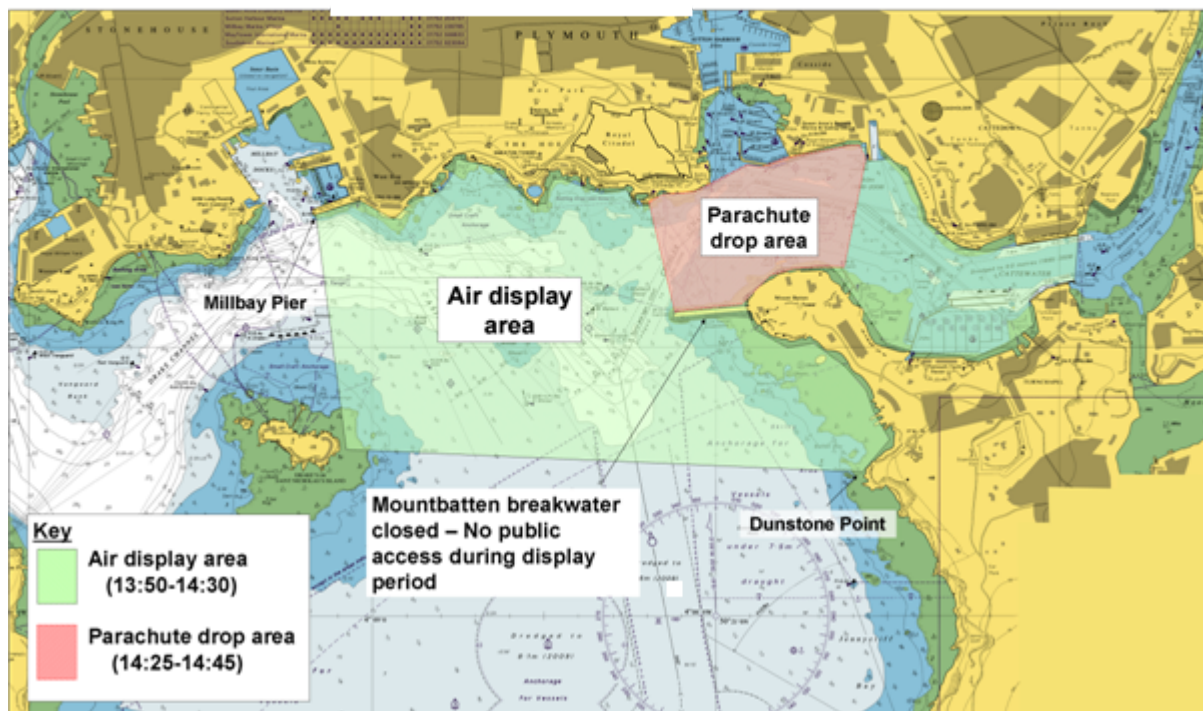

b. During the air display mariners wishing to proceed from the Plym, Sutton Harbour or the Cattewater to seaward of the Air Display Areas are advised to do so in sufficient time before access to the Sound is suspended. Sutton Lock will be closed for the duration of the display.

c. Throughout the displays, access to/from seaward for small craft to/from the Hamoaze and River Tamar is permitted passing through The Bridge channel.
