

## KING'S HARBOUR MASTER PORTSMOUTH

### LNTM No 20/18

#### UNDERWATER OPERATIONS AT ST HELEN'S AND NAB ANCHORAGES

1. **NOTICE IS HEREBY GIVEN** by the Queen's Harbour Master Portsmouth that a Royal Navy Mine Countermeasures Vessel will be conducting underwater operations in vicinity of St Helen's Anchorage and Nab Anchorage 3 in the eastern Solent between 0800 on Tuesday 13<sup>th</sup> and 1500 on Wednesday 14<sup>th</sup> February 2018.
2. The operations will take place in vicinity of the following positions:
  - 50 38.53 N 001 01.82 W
  - 50 42.75 N 001 04.00 W
3. The vessel will be restricted in ability to manoeuvre while conducting underwater operations and will display appropriate shapes and/or lights in accordance with the COLREGS. Vessels operating in the vicinity should give a wide berth. A listening watch will be maintained on VHF Channels 11(QHM Harbour Control) and 12 (VTS Southampton).
4. Cancel this LNTM on 15 February 2017.
