

KING'S HARBOUR MASTER PORTSMOUTH

LNTM No 67/18

UNDERWATER SEDIMENT SAMPLING IN PORTSMOUTH HARBOUR AND THE SOLENT 10 – 14 SEPTEMBER 2018

1. NOTICE IS HEREBY GIVEN by the Queen's Harbour Master Portsmouth, that from 10 - 14 September 2018 underwater sediment sampling will take place in The Solent and Portsmouth Harbour. Precise timings and locations will depend on weather conditions at the time.
2. Sampling will take place at multiple locations as shown in the Figures below.

3. The work will be carried out by the vessel "UNCLE BILL" a small Multicat operated by Baker Trayte Marine. Operations will be weather dependant and only conducted during the hours of day light. Appropriate COLREGS will be displayed while the vessel is conducting survey operations. Each sampling period is expected to be no more than 10-15 minutes in duration.
4. All mariners are requested to keep a good lookout and pass at slow speed while sampling operations are being conducted. QHM Harbour Control will be kept informed and de-conflict with other marine traffic if the situation demands and can be contacted on 02392 723689 and Channel 11 if required.
5. Cancel this LNTM on 17 September 2018.
